

MSG SOUTH UNIVERSITY ANN ARBOR ART FAIR 2009

CALL FOR DEMONSTRATORS: We are seeking artists to demonstrate at this year's Ann Arbor Art Fair Booth. In keeping with the Guild's mission to educate others about the craft of metalsmithing, we plan to provide demonstrations of metalsmithing techniques throughout the Art Fair. In return for providing a demo, you will be able to display and sell your work on the day of your demonstration. **THIS IS A WONDERFUL WAY TO GET SOME EXPERIENCE IN AN ART FAIR AND A CHANCE TO SELL YOUR WORK!**

ELIGIBILITY: All MSG members are eligible to apply.

ENTRY PROCEDURE: We are not requiring applicants to submit images of their work. Instead, please send a detailed description of your demonstration. Details should include the techniques you plan to demonstrate and the tools and materials you plan to use (you must supply these). Demonstrations do not need to be complicated - often a technique can be repeated as spectators come and go. **No open flames are allowed at the art fair - please plan accordingly.**

OTHER INFORMATION: Accepted artists are required to be present for the full day of their demonstration at the art fair. Plan to arrive by 10:00 AM and stay until approximately 9:00 PM. You are expected to booth-sit for other artists at the South University Art Fair throughout the day. (This is usually 2-4 hours of your day).

WORKS FOR SALE: Instructions on how to tag, price, and inventory your work will be enclosed in the acceptance letter.

ENTRY FORMS: Please fill out the enclosed entry form and return by **May 16.**
