

Michigan Silversmiths Guild

MSG Workshops - Building Skills while Building Communities

**Introductory/Intermediate CAD Workshop
with Michael Nashef
January 20 & 21, 2018 • 9:30 a.m. – 4:30 p.m.
Bowling Green State University
Bowling Green, Ohio**

In this 2-day workshop participants will be introduced to the basics of Rhino software and how to articulate their designs in 3D. Michael will provide introductory and intermediate commands, as well as, techniques and applications for the use of Rhino as a creative studio for jewelry design and product design.

Your workshop fee includes lunch each day. Materials that students will need to bring are a USB drive, a notepad and pen, and a measuring caliber (digital caliber preferred), or ruler. Laptops are not required, however encouraged to bring. (PC or MAC is fine). All participants should have basic good computer skills to be registered for this class, examples of that, saving files, copying files, organizing their folder and files, renaming, and such basic operations.

Registration is limited to 18 participants, so sign up early. This workshop will sell out!

Workshop Fee: Members - \$300
Nonmembers - \$340
Students - \$220

Location: Bowling Green State University
Wolfe Center
1300 Ridge St
Bowling Green, Ohio 43403

About Michael Nashef: Graduated in 2006 with a Bachelor Degree in Fine Arts of Metal/Jewelry Design from Kendall College of Art and Design of Ferris State University. Currently working on an MFA in 3D Studies with a concentration in Metal/Jewelry Design at Bowling Green State University. Michael is the owner and designer of a successful Bridal line called "Intersecting Hearts".

Registration Deadline: January 12, 2018

Questions: Lori Brauer, lorib@mi.rr.com or call 248-225-2640

Membership applications are available at: <http://misilversmith.org/documents/2017MembershipForm.pdf>
